Customer Information Privacy Policy

United Boys & Girls Clubs Inc.'s staff, directors and volunteer leaders value your willingness to donate online to UBGC and believe in protecting your privacy. We want to explain how and why information is collected and how we ensure the security of your personal information. If you have any questions about UBGC's privacy policy, please feel free to contact our office. Our policy may change periodically, so please return to this website for updates.

Personal Information

We require personal information so that we can maintain the UBGC proprietary donor database. On rare occasions, we will use that information for e-mail updates and newsletters. Information is not shared with outside entities. We never sell mailing lists.

IP Address and Cookies

We will record your Internet Protocol ("IP") address, which is the number automatically assigned to your computer whenever you access the Internet. This number does not identify your name, email address, or other personal information. We use your IP address to help diagnose problems with our server and to track usage of our site.

When you visit our site, we collect non-personally identifiable information from you in the form of cookies. A cookie is an alphanumeric file that a Web site puts on your hard drive so that it can remember your path or re-load pages more rapidly when you return to the Site. Cookies make it easier for you to use our website. User data is reported as server statistics that help determine how we can improve the www.unitedbg.org website.

Mailing List

We send out email newsletters, and those who signup for our mailing list will be contacted in an html-enabled email. Persons who contact us via email will be absorbed into an automatic e-mail notice and email newsletter list. If you wish to be removed from the list, simply e-mail UBGC at office@unitedbg.org with UNSUBSCRIBE in the subject line. We anticipate a brief delay for the change to your record to be processed. We will never give, sell, or rent this mailing list or your information anyone. Thank you.
